Attachment B – Service Area Petition Form (Page 2)

This petition is provided so that residents in a “service area” may verify that there is a widespread concern for a speeding or traffic issue.

The Police Department will identify the “service area” in the neighborhood. The “service area” includes properties abutting the street and properties on intersecting streets within a reasonable distance of the problem street. The Police Department will provide a map and addresses for the “service area”.

The petition must be signed by 75 percent of the owners or residents of properties within the “service area”. Each property is entitled to one signature. Valid signatures include those from (1) a property owner or spouse, (2) an adult head of household, or (3) an adult renting the property.
