

# TOWN OF PITTSBORO

ENGINEERING DEPARTMENT

## AUTHORIZATION TO ENTER PROPERTY FORM

Date: \_\_\_\_\_

Parcel #: \_\_\_\_\_

I, (print name) \_\_\_\_\_, as owner of the property described above, or as a representative of the owner(s) do hereby convey permission to Town of Pittsboro staff to enter the property at their convenience to conduct a surface water identification (SWID) necessary to determine whether or not water features on my property are subject to the riparian buffer regulations described in Section 4.2.4.C. of the Town of Pittsboro Unified Development Ordinance. The SWID will be public record and on file at the Planning and Engineering Departments, and may be requested in the future for review by interested parties.

I understand that stream delineations for the property listed above will be made by Town staff only once and that if future subdivisions or other development are proposed within this property boundary, it will require a surface water identification by a professional consultant at the property owner's expense.
